Katrina and Todd,

I am attaching a draft reuse assessment that we can discuss on the call, as we walk through the document, we'd like to discuss whether there are additional property owner perspectives to incorporate and confirm that we've accurately identified and characterized property owner interests.

I am also attaching our notes from the site visit interviews in case they are helpful reference for our discussion.

We look forward to talking with you this afternoon and discussing our approach to the reuse assessment.

Thanks!
